Hi Adrian,

Thank you again for a great job with Kaitlin's naming ceremony. We really appreciate the care you took in making it a lovely, relaxed experience.

We found Adrian to be a friendly and professional celebrant and were very pleased with the service on the day. Adrian was very flexible in planning the service as we were based in Melbourne and could only meet face to face a few days prior to the ceremony. I would have no hesitation recommending Adrian for either weddings or naming ceremonies

Adrian Downey is a fantastic celebrant of who we hope stays in touch with us. While other wedding preparations were stressful and we also had personal stress to deal with. It was just such a delight when organising the ceremony with Adrian, he made the preparations all so easy.

He is very easy to talk to, he's relaxed, friendly and professional... We thank you Adrian for making our day the one of the best days of our lives. And not to mention the lovely DVD upon our return from our honeymoon, what a surprise... Thank you...! Dear Adrian,

Apart from the day we met, our wedding was the best day of our lives thanks to you! Alex and I would sincerely like to thank you for a beautiful wedding ceremony, we couldn't have made it what it was without you.

We thank you for being the kind hearted man that you are, the ceremony blew all our families and friends away. It was a very special and nervous day for the both of us, and you made us feel so comfortable and at ease. From the moment I walked down the aisle I knew you would be there to guide me in all the right directions, and with all the support and knowledge you gave us it all felt so right.

Nothing was ever too hard for you, you were always there if we needed any advice and you are just a natural. Many thanks to your wife for the music through the ceremony, and we were so surprised when we arrived back from our honeymoon, to find a dvd you composed of the day, we were blown away.

Hi Adrian,

I would like to start by thanking you for such a great job on our wedding day. In fact the whole experience since we first met you has been fantastic. The wedding was a great success. We had the most beautiful, amazing and memorable day.... and many of our friends are still raving about the time they had. Most importantly I want to thank you for your time on the actual day. Keep up the great work Adrian! It has been a pleasure dealing with you and I will be sure to recommend you highly.

Adrian is an extremely capable and highly professional celebrant who took his role in our wedding seriously. We were very happy with the advice and documentation he provided us prior to the big day as it enabled us to create a tailor-made ceremony which reflected who we are as a couple. All the paperwork was seamlessly taken care of by Adrian and a registered copy of our Marriage Certificate was waiting for us upon our return from our honeymoon. Adrian also mailed us a DVD slideshow of photos taken by his assistant during the ceremony which had the song I walked down the aisle to as the soundtrack. I wouldn't hesitate to recommend Adrian to anyone seeking the services of a celebrant.

Adrian went out of his way to accommodate us on several occasions: when the railway system stranded us far from our originally agreed upon meeting place, when we needed help with the necessary forms, and finally when we were unable to provide any witnesses of our own, as we're not from the area. He took everything in stride and made sure that everything went off as planned, and acted as the perfect guide for our specific wedding requirements. Just a friendly guy who really worked with us and made us feel like our happiness was important to him. We really can't say enough positive things about his guidance, positive demeanour and professionalism. When we return to the U.S. we'll be sure to recommend him to anyone who might be interested in getting married in NSW. Thanks once again for everything, Adrian!
